**RE: BAE Systems Information and Electronic Systems Integration Inc. v. L3Harris Cincinnati Corporation f/k/a L3 Cincinnati Electronic Corporation, 1:23-cv-01860**

Dear Judge Hellerstein:

As the Court is aware, this firm represents Defendant L3Harris Cincinnati Corporation f/k/a L3 Cincinnati Electronic Corporation (“L3Harris”). We jointly write on behalf of the Plaintiff, BAE Systems Information and Electronic Systems Integration Inc. (“BAE Systems”) and Defendant L3Harris to respectfully request that the Court adjourn the June 14, 2024 status conference, which was set by the Court’s May 3, 2024 Order (ECF No. 41), for a period of no less than 30 days.

The parties have undertaken discussions about potentially resolving some of the claims at issue in this case through a private mediation process, which may narrow the scope of the litigation. This process is expected to take several weeks to conclude.

The parties met and conferred to discuss this joint motion and have agreed that staying the status conference for a period of 30 days will give the parties an opportunity to advance these discussions. There is good cause for this request because the parties are hopeful that through this process, they may reach a mutually beneficial resolution for at least some of the counts in Plaintiff’s complaint. Additionally, given the possible narrowing of the litigation, this request would serve judicial economy and would conserve both parties’ resources.

Accordingly, the parties respectively request that the status conference currently scheduled for June 14, 2024, be rescheduled for Monday, July 15, 2024 or any day after such date that the Court can accommodate.

Respectfully submitted,

/s/Daniel A. Schnapp
